ESE 4750/5750: Chips-measurements, Chip request form

Date of request:	**2025/11/20**
Project title:	**Matrix Multiplier Engine**
Team number:	**Team19**
Members:	**Mutian Yuan; Junzhe Tan**
TA:	**Claire Kendell**
How many chips have you used so far?	**5**
Reason for requesting a new chip on carrier board	**The previous chip was damaged during the testing due to improper voltage transformation.**
What went wrong?	**Initially, the output contains data. However, after several changes in the input, there is no more data.**
How would you avoid the same issue occurring again?	**During the measurement process, we will make more careful adjustments to the voltage.**
